Dear Sir:-

my skin is white  
and I am 66 years old  
and I was raised in  
Tribshurg miss. and thank  
God I had wonderful  
parents and pastors who  
taught me that God  
made all men of one  
blood. I think miss is  
~~wrong~~ but I also think  
you are wrong in  
forcing yourself where you  
are not wanted. For  
Jesus sake please withdraw  
from the university before  
we have another civil war -  
with the 2 deaths and

wounded has it been  
worth it? There are  
plenty of better  
universities where you can  
go and have fellowship  
with other students. I  
know in time things  
will be different down  
south. The old prejudiced  
group will die off and  
gradually things will  
adjust. Please don't rush  
them. You know so  
many years your people  
have been the slaves  
and will take time to  
change. This trouble has  
only built up more  
hatred.

I pray each day that

you will show your  
Soul is whiter than your  
skins.

Follow Jesus way which  
is the way of Peace.  
you will never regret  
it and thousands all  
over America will rise  
up and call you blessed.

Thank you

Mrs. E. B. Middewant
